Re: Estate of Janet Harper Stine

Dear Mr. Newman:

I am pulling together all of the necessary tax information to make a preliminary computation of taxes in the above estate. It will be necessary for us to report the total monies received on the currency sales as there will be a slight capital gains tax to be paid. I would appreciate it if you would check the remaining currency and let me know what items you have left in your possession. I can then subtract this from the items sold to compute the capital gains.

Miss Stine is deeply appreciative of your very thoughtful efforts in her behalf and I wish to thank you again for your advice and assistance in this matter.

With best wishes.

Yours very truly,

  
A. H. Hamel.

Re: Estate of Janet Harper Stine

Dear Mr. Newman:

Thank you very much for your note and enclosure of  
December 4, 1967.

Adele Stine has mentioned to me several times during  
the past year her appreciation for your advice and  
assistance in selling the currency in her sister's  
estate. She has also mentioned her appreciation for  
that delightful evening last winter at your home when  
you not only discussed the currency in the estate, but  
also took us back into St. Louis history through the  
fascinating memorabilia in your home. What is a hobby  
for you has proved to be a real service for those you  
have helped, and we are deeply appreciative.

Thank you, and with best wishes,

Yours very truly,

A. H. Hamel
